The SASDS invites you with excitement to our 2018 national congress where unity, teamwork and collaboration will surely triumph to the benefit of our beautiful African continent. As a society, we hope to contribute to the practical armamentarium of each attendee.

In keen anticipation,

Izolda Heydenrych

President: South African Society of Dermatological Surgery

It's with immense pleasure, honour and humility that I take this opportunity to welcome you all to Durban, south Africa and to the second African society of Dermatology and Venereology conference.

The theme of this year's conference is "Dermatology for Africa". In line with the theme we gear to discuss problems that affect us and the accepted good practices. The aim is to impact knowledge in such a way that each delegate can put it into their practice and make Africa a better place. We have invited renowned world and regional experts who will be sharing the latest discoveries and development as well as practice pearls in the field of Dermatology and Venereology .

I therefore take this opportunity once again to thank and wish all a nice stay in Durban as we enhance the theme of this year's conference. "Dermatology for Africa".

Yours faithfully,

Dr. Evanson N. Kamuri

President, ASDV
